Friday 13th December

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

It has been another special and exciting week here at Ramsey Manor Lower School.

The students in Year 1 and Year 2 amazed us with their beautiful singing and amazing acting during their Christmas performance on Wednesday & Thursday. Well done to all of them!

Our students in Year 3 & Year 4 performed at our annual carol service at the local church, hosted by Rev. Andrew. The service was very special and the children made us all so proud.

That has concluded our Christmas performances for the year and I would like to

take this opportunity to thank our dedicated team of staff for making these shows possible and I would also like to thank all of the family members that attended the shows, giving such amazing support to the children during their performances.

At 3pm today you will receive your child's termly report. This is a new, brief report in response to feedback from our last parent survey.

Have a great weekend.

Yours sincerely,

Mr Colin Moore

Our current value is RESPECT.

Foodbank Update

Earlier this term, you received a letter from two of our students in Year 4, Quinn & Maya, about a foodbank that they had set up at school. They have been inundated with donations from the school community. Thank you so much for your generosity. This morning, Quinn & Maya visited Luton Foodbank to deliver all of the food items that will support those in need over the coming weeks and months. I am so proud of both of them. This started as an idea during a lunch break and they have seen it through to the end in order to help others- amazing!
