Weekly Newsletter

Friday 31st January

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

It's been another fantastic week of learning across the school, with children fully engaged in their lessons and making great progress. Thank you for your continued support in helping to make our school such a positive and enriching place for our students.

Next week, parents will receive a letter outlining a small change to how our parent consultation evenings will run. To enhance these meetings, we are introducing an open classroom event the week before consultations. On **Thursday, 20th March (3:30–4:00 pm)**, you'll have the opportunity to visit

your child's classroom and look through their books across the different subjects. This will give you valuable insight into their learning and help inform your discussions during your parent consultation the following week.

We're excited about this change, as we believe it will make consultations even more meaningful as you will be fully informed ahead of your appointment. Thank you for your ongoing support.

Have a great weekend.

Yours sincerely,

Mr Colin Moore

Our current value is HONESTY.

Parking Considerately

We have recently received an increase in reports regarding unsafe parking on our local roads. A reminder to all parents to please park considerately outside the school and never on the yellow zig-zag lines. These markings are there to keep our children safe by ensuring clear visibility and space for crossing.

Please be mindful of our students arriving at school and our local residents who need access to their homes. Let's work together to keep our school community safe and respectful for everyone. Thank you for your cooperation.

We hope all students attending the PTA Movie Night tonight have a brilliant time! A huge thank you from the school to the PTA for giving up their time to host this event.
