Weekly Newsletter

Friday 28th February

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

It has been wonderful welcoming all of our students back to school this week after the half-term break. We hope everyone had a restful and enjoyable week off and is feeling refreshed for the exciting half-term ahead.

We have a busy few weeks coming up, and one of the highlights will be our World Book Day celebrations on Friday, 7th March. We have planned a special day filled with activities that celebrate the joy of reading and the magic of books.

A ParentMail was sent out earlier this week with all the details you need. Please take a moment

to read through it so your child is ready to join in the fun!

We're looking forward to a fantastic half-term and can't wait to share more exciting learning experiences with our students.

A reminder that you will soon be receiving a ParentMail regarding booking appointments for our upcoming parent consultation evenings on Monday 24th March and Wednesday 26th March.

Have a great weekend.

Yours sincerely,

Mr Colin Moore

Our current value is PATIENCE.

Exciting New Clubs!

This half term, we're excited to introduce some new clubs such as Gardening Club and Circuit Training! We are incredibly proud of the clubs and activities we offer and the fantastic opportunities available to our students before the school day, during lunch and after school.

We always strive to provide a broad and engaging extracurricular programme and would love to hear any feedback or suggestions for further activities.

Thank you for your support—we can't wait to see our students enjoying these new experiences!

A reminder that it is class photo day next Thursday 6th March. ALL students must wear full school uniform to school on this day, including a jumper or cardigan. If your child has PE on this day, please send this to school in their bag.
