Weekly Newsletter

Friday 14th March

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

This week, we have been celebrating Science Week with lots of exciting scientific activities based around the theme 'Adapt and Change'. Our students have thoroughly enjoyed the learning opportunities, investigations, and discussions, sparking curiosity and a love for science across the school. It has been fantastic to see them engaged in exploring how living things and environments adapt and evolve over time.

Wednesday was also a special day for Year 3, as they launched their new English text with a circus-themed visit to Lively Land!

This immersive experience set the stage for their upcoming learning and really brought the text to life, creating excitement and enthusiasm for the weeks ahead.

A huge thank you to our staff for their dedication in making learning so engaging and memorable. Their creativity and hard work ensure our students have inspiring and meaningful learning experiences every day!

Have a great weekend.

Yours sincerely,

Mr Colin Moore

Our current value is PATIENCE.

Reminder- Parent Consultations

If you haven't done so already, please ensure that you have booked a ten-minute face to face appointment at our upcoming Parent Consultation Evenings on Monday, 24th March, and Wednesday, 26th March. Please contact the office if you need any help when booking your appointment.

All meetings will take place in the school hall. We look forward to discussing your child's progress with you.

A reminder that classrooms will be open for book viewing on Thursday 20th March straight after school until 4pm.

Next Friday 21st March is Red Nose Day!

Students are welcome to wear non-uniform on this day. If you would like to make a voluntary contribution to Comic relief you can donate online at <https://www.comicrelief.com/rednose/day/>
