Weekly Newsletter

Friday 4th July

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

As we head into the final two weeks of the term, there is still so much to look forward to! We have a packed fortnight ahead full of exciting learning opportunities and important work around transition as we begin preparing the children for their next steps in September.

This week has been especially busy and full of highlights. On Monday, our Year 2 students enjoyed a brilliant trip to Stockwood Park, bringing their learning to life. On Tuesday, Year 3 proudly took part in the Sing Up event at the Grove Theatre, showcasing their musical talents alongside other schools.

Then, on Thursday, we celebrated our annual Sports Day, and we couldn't be prouder of every student who took part, demonstrated fantastic teamwork, and represented our school values so beautifully throughout the day. To round off the week, we had a fantastic Rock Steady assembly this morning, where students had the opportunity to learn about instruments, bands, and the joy of making music! Thank you, as always, for your continued support—we truly appreciate it. Yours sincerely,

Mr Colin Moore

Our current value is EMPATHY.

PTA Thank You!

A massive thank you to our amazing PTA for the most wonderful Summer Fete last Friday! It was a spectacular community event where everyone came together to have fun and celebrate being part of our fantastic school. The PTA are a team of dedicated volunteers who go above and beyond for our students, and we honestly can't thank them enough. Thousands of pounds were raised, and every penny will go back into making our school even more special.

School Reports

You will receive your child's full end of year academic report next Friday 11th July. This will be sent to you via email this year. The report will cover all academic aspects of your child's education. If you have any problems receiving the report on Friday, please contact the office.
