Friday 12th September

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

It has been an exciting week here at Ramsey Manor as we welcomed our new students in Reception. This is always such an important and special time for us as a school, as well as for the children and their families. We would like to say a big thank you to parents for being so supportive during these first few days. A very warm welcome to the Ramsey Manor family — we know that together we are going to achieve so much this year and beyond!

Looking ahead, next week we are holding our first Parent Workshop of the year on Wednesday 17th September at 9am, focusing

on maths. As part of this session, you will also have the opportunity to visit your child's classroom to see maths in action.

Please enter the school via the main office on the morning of the workshop. The workshop will be held in the hall with Mr Linney. This is the first of three upcoming parent workshops with the next one taking place at 9am on Tuesday 23rd September with a focus on phonics.

Thank you, as always, for your continued support.

Yours sincerely,

Mr Colin Moore

Attendance & Punctuality

As we begin a new academic year, we would like to remind all parents of our expectations for excellent attendance and punctuality. Every day in school counts, and arriving on time ensures children are fully engaged in their learning right from the start. Regular attendance also helps children build strong routines, friendships, and confidence. We aim for a minimum of 96% attendance for every child, as this is key to their progress and success. Thank you for your continued support in making sure your child is in school every day.

OPEN EVENING

We warmly welcome parents of students who are starting school in September 2026 to join us for our Open Evening on Monday 22nd September. Please arrive for 5.30pm and enter the school via the main office. We also offer personalised tours and open mornings.
