

Ramsey Manor Lower School

Aspire, Achieve, Excel

EDITION 3

Weekly Newsletter

Friday 19th September

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

It has been a brilliant week at Ramsey Manor, and we are so proud of our students in Saplings who have successfully completed their first full week with us. They have settled in so well, and we are excited for all that lies ahead on their learning journey.

This week we also hosted our first parent workshop of the year, focusing on fluency in mathematics. It was extremely well attended, and the feedback has been very positive. We would love to hear your ideas about other workshops you would like us to offer.

Our next workshop will be on Tuesday 23rd

September at 9am in the school hall, focusing on phonics and early reading—we look forward to welcoming many of you there.

A reminder that Lively Land is currently closed following the strong winds on Monday. We will reopen it as soon as the necessary work has been completed to ensure the area is safe for the children.

Thank you, as always, for your continued support.

Have a great weekend.

Yours sincerely,

Mr Colin Moore

Our current value is HOPE.

A big THANK YOU to our reading helpers!

We are so grateful to our wonderful group of helpers who have returned this year to support our children by listening to them read across the school. The children love sharing their books, and the extra practice makes such a difference to their confidence and progress. If you have a little time to spare and would like to come into school to listen to readers, we'd love to welcome you! Please speak to your child's class teacher or pop into the school office to find out more.

OPEN EVENING

We warmly welcome parents of students who are starting school in September 2026 to join us for our Open Evening on Monday 22nd September. Please arrive for 5.30pm and enter the school via the main office. We also offer personalised tours and open mornings.
