Weekly Newsletter

Friday 16th January

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

The spring term is now well and truly in full swing and the school has been a real hive of learning across all year groups this week. I have seen so much to celebrate, including creative and thoughtful work in DT and Art, excellent mathematics, fantastic phonics, brilliant writing and super gymnastics, to name just a few highlights.

Our clubs programme continues to be as comprehensive as ever, with students across the school enthusiastically engaging in a wide range of opportunities beyond the classroom.

We are also proud of our Year 3 students who

visited Inspire Sports Village for their first school swimming lesson of the year. They represented the school brilliantly. A special well done to the students who visited another one of our Trust schools this week to talk, learn and reflect on equality, diversity and inclusion, and how we can all support one another.

Today, students enjoyed a special Sports for School assembly with Mr Linney, helping to build excitement ahead of the main event taking place in two weeks' time.

Yours sincerely,

Mr Colin Moore

Our current value is UNITY.
