Aspire, Achieve, Excel

EDITION 19

Weekly Newsletter

Friday 30th January

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

What a brilliant day we have had at school with our Sports for Schools activity morning. We were incredibly lucky to be visited by former Olympian Peter Bakare, and it was an absolute privilege to have him with us. He inspired our students and made the day a truly memorable experience for everyone involved. Thank you to all of you for supporting this fantastic event. The funds raised will go directly back into the school to invest in new sports equipment, helping us to continue to promote healthy, active lifestyles for all of our students. A thank you must also go to Mr Linney for organising!

I would also like to take this opportunity to remind parents of the importance of excellent punctuality. Our playground gates close at 8.50am and all students are expected to be in their classrooms and ready to learn by this time. Arriving on time is vital as it allows children to start the day calmly, take part in important early learning and routines, and sets positive habits that support their progress and wellbeing.

Thank you for your continued support.

Yours sincerely,

Mr Colin Moore

Our current value is UNITY.

06/03- World Book Day
13/03- Red Nose Day
16/03- Parent Consultation Meetings- 4-7pm
06/06- Happy Circus Event

Sensory Garden Support

We are excited to share plans to develop our current courtyard into a sensory garden for our students and are asking for any support our school community may be able to offer. A sensory garden would provide a calm, nurturing space that supports students' wellbeing, emotional regulation and mental health. If you feel you could support this project in any way, or if you know someone (an individual or business) who may be able to help with time, skills, materials or funding, please contact the school office. Thank you!

A reminder that the school car park is for staff & school visitor use only, unless there is a prior agreement in place. If you are dropping your child off for a morning club, please avoid using the school car park. Thank you.
