Weekly Newsletter

Friday 12th June

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

Firstly, a huge and heartfelt thank you must go to our incredible PTA for the Happy Circus event that took place last Saturday. It was such a fantastic day for our whole school community and brought so many families together for an afternoon of fun and laughter. Events like this simply would not be possible without the dedication, hard work and commitment of our amazing team of volunteers. On behalf of all the staff and students at Ramsey Manor, thank you for everything that you do to support our school.

We would also like to say a massive well done

to our Year 1 and Year 4 students who have completed the Phonics Screening Check and Multiplication Check respectively this week. We are incredibly proud of how all of our students approach their learning and always strive to do their very best. This morning, our students in Saplings enjoyed a wonderful visit from Animal Edge, while on Wednesday all of our students took part in a fun (and child-friendly!) axe-throwing event in the school hall. Have a great weekend!

Yours sincerely,

Mr Colin Moore

Attendance Update

At Ramsey Manor, we have very high expectations for excellent attendance, with a minimum target of 96% attendance and above for all students. We are delighted to report that, as a school, our attendance is currently tracking at this target level. Excellent attendance and punctuality are vital because every day in school matters. Regular attendance helps children build confidence, maintain friendships, develop positive routines and, most importantly, make the best possible progress with their learning.

Next week, our Year 4 students are off to the Apollo Victoria Theatre in London to watch 'Wicked'. This is an incredible opportunity linking to their learning in Music this year. Have a brilliant time!
