Head Teacher: Mr C Moore

Our Vision: At Ramsey Manor, we believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Friday 17th July 2026

Dear Parents and Carers,

As we reach the end of another fantastic academic year, I wanted to take a moment to reflect on everything we have achieved together. I am incredibly proud to be the Headteacher of this amazing school and to serve our wonderful community. There is truly something so special about Ramsey Manor, and it is an absolute privilege to work here every single day. We have had another brilliant year, and I could not be prouder of our students, the incredible progress they have made, and the positive, lasting impact they have had on our school environment.

Academic achievement remains a true strength of Ramsey Manor, with our students securing fantastic results across all core subjects. Alongside this academic rigour, our broad and balanced curriculum ensures that our students receive a wide exposure to learning across many different subjects. This approach enables them to remain deeply curious, find their true passions, and ignite their imagination and creativity.

Beyond the classroom, our extracurricular programme has been vast once again this year. It has been wonderful to see our students enthusiastically engaging with so many different clubs, including dance, drama, football, rugby, archery, dodgeball, netball, basketball, reading, TT Rockstars, Numbots, and Rocksteady, to name just a few. This vibrant, well-rounded experience is exactly what a school should be all about. Furthermore, our students have represented the school amazingly on the numerous educational trips that have taken place, perfectly linking to what they have been studying in their lessons. A particular highlight was our very special trip to London to watch Wicked the musical, which was an unforgettable experience for everyone involved.

We also know that high levels of attendance and excellent punctuality are vital components of a successful education. Regular attendance ensures that children do not miss out on crucial learning, helps them build strong friendships, and establishes positive routines that benefit them throughout their lives. I am absolutely delighted to say that, thanks to your steadfast support, attendance this year has been excellent across the whole school. We truly hope to see this go from strength to strength next year, as we are already incredibly excited about what the future has in store for us all.

With the end of the year comes some bittersweet news, as we say a fond goodbye to Mrs Bowden, who is leaving us today. Mrs Bowden is off on an exciting new adventure to the coast with her family, and we wish her the absolute best for the future. She has made such a profound impact on so many students during her time at Ramsey Manor, leaving behind a lasting legacy. She will be dearly missed by students and staff alike.

I would also like to say a massive well done to our simply incredible Year 4 cohort, who leave us today to take their next steps in education. Their emotional leavers' assembly was incredibly touching, and they have been truly excellent ambassadors for our school. They have done themselves and their families immensely proud. I know they will carry the values they learned at Ramsey Manor with them as they move on, and I wish them every possible success. Remember, Year 4, you can achieve absolutely anything you set your minds to.

Finally, I would like to thank every single one of you for your continued support, partnership, and dedication throughout the year. I wish you all a fantastic, safe, and relaxing summer break with your loved ones.

We look forward to welcoming our returning students back to school on Wednesday 2nd September.

Yours sincerely,

Mr Colin Moore
Headteacher

Ramsey Manor Lower School is a Values Education School where our Values underpin everything we do. We are committed to safeguarding children and providing a safe and healthy environment for all to learn and grow.
