EDITION 18

Weekly Newsletter

Friday 27th January

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

It has been another exciting week here at Ramsey Manor. We have now opened our library at lunchtimes so the children are able to come and read, change their books or take an Accelerated Reader quiz. It has been really busy every lunch as the children continue to show their love of reading.

We recently benefitted from the use of Parking Buddies from Central Bedfordshire Council. These were signposts that we put out during drop off and collection times. The feedback that we received about these were overwhelmingly positive. Thank you!

We have therefore decided to book the Parking Buddies for additional weeks later in the year when they are available. Congratulations to Jupiter house for winning the house point trophy last week with over 200 house points! It was very close between the all four houses so well done to everybody!

As always if you have any questions please do not hesitate to contact us. We are more than happy to help.

Have a lovely weekend.

Yours sincerely

Mr Colin Moore

Our current value is HONESTY.

31/03- End of Spring term
17/04- School closed for INSET day
18/04- Start of Summer 1

Proposed Industrial Action

We will be sending out a letter today to all parents to update you on our plans for the proposed industrial action next Wednesday 1st February. Please do keep an eye out for this letter as it will contain key information. As I'm sure you will appreciate and understand, health and safety of the students is our priority and therefore any decisions will be made following a full risk assessment.

Please could we request that you continue to be considerate of our local residents and other adults who are collecting their children when parking.
