Aspire, Achieve, Excel

EDITION 19

Weekly Newsletter

Friday 3rd February

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

It has been an exciting week here at Ramsey Manor as we continue to grow our extracurricular offer for our students.

After half term, we will have new morning clubs, lunchtime clubs and after school clubs available to different children in addition to clubs that we already have in place. Some of these include art club, TT Rockstars club, games club, cross stitch club and a new school newsletter writing club! We will continue to explore how we can increase our extracurricular offer moving forwards in a range of curriculum areas.

We are also pleased to announce the date of our next parent workshop which will be on Monday 20th February at 9am in the school hall. This will be hosted by Mr Smith and will focus on how we teach maths at Ramsey Manor and how you can support your child at home. Congratulations to Venus house for winning the house point trophy last week with over 200 house points!

As always if you have any questions please do not hesitate to contact us.

Yours sincerely

Mr Colin Moore

Our current value is HONESTY.

Future Proposed Industrial Action

Thank you for your patience and understanding on Wednesday with the industrial action. As mentioned in a previous letter, we will be treating each proposed strike date as a separate event so we will send out communication regarding our plans in advance of each date. Health and safety of the students is our priority and therefore any decisions will be made following a full risk assessment.

*Mr Smith is hosting a parent workshop all about maths on **Monday 20th February at 9am** in the school hall. All parents and carers are welcome.*
