

Ramsey Manor Lower School

Aspire, Achieve, Excel

EDITION 24

Weekly Newsletter

Friday 17th March

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

Firstly, I would like to say thank you for your patience and support during the ongoing industrial action. We appreciate your flexibility and understanding during this time.

Next week we are taking part in Sustrans Big Walk and Wheel which is the UK's largest inter-school cycling, walking, wheeling and scooting challenge. The challenge runs from 20-31 March. It's free and we would love everyone to be involved.

What do you need to do?

Encourage your child to walk, scoot or cycle to school on as many days as possible.

We know it may be more difficult for some pupils to take part than others. If you want to discuss more about your child's specific needs, please contact the office and we will make sure to look into how your child can take part.

As always, if you have any questions, concerns or queries then please do not hesitate to contact us.

Have a lovely weekend.

Yours sincerely

Mr Colin Moore

Our current value is PATIENCE.

KEY DATES:

22/03- Year 1 & 2 Spring Concert- 9:15am & 3pm
27/03- Parent Consultation Meetings (4-7pm)
29/03- Parent Consultation Meetings (4-6pm)
30/03- Parent Consultation Meetings (BLUE Class- 4-6pm)
31/03- End of Spring term
17/04- School closed for INSET day
18/04- Start of Summer 1

Key Stage 1 Spring Concert

Year 1 and 2 will be performing their Spring Concert on Wednesday 22nd March at 9:15am and 3pm in the school hall. Parents and carers are invited to join us. If we could ask that you please just attend one of the concerts and a maximum of two people at each show to allow us to fit everyone in. Please enter the school through the main reception where you will be guided towards the school hall.

A reminder to book an appointment for your parent consultation meeting if you have not done so already.

British Science Week

This week at Ramsey Manor we celebrated
British Science Week and we would like to thank
our amazing PTA for funding our animal visitors this week.

Here's some writing from our children in Year 4 about this visit this week...

Early this morning, I couldn't believe my eyes. The amazing animal visitors were invertebrates, vertebrates and mammals.

Bravely, I stroke the superb, slimy African Land Snail. Its shell was as hard as rock. Its eyes popped out at me like a jack in a box. Excitingly, we got to see the exoskeleton of a tarantula. It was in a frame because it was really delicate.

Rowan

They started by introducing themselves then they brought out smooth, slimy Giant African snails. Sadly, one of them had a hole in the shell. The amazing thing is that the snails had bones made out of water.

Jasper

Next, they took around some cockroaches. I thought I wouldn't want to touch them but I did! I was really proud of myself for overcoming my fear.

After the cockroaches, we saw a tortoise. It walked around the table and we saw him eat a live worm. I was overwhelmed with joy.

Sophie
