Weekly Newsletter

Friday 31st March

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

I can't believe we have already arrived at the end of term. It seems to have flown by and so much has been happening here at Ramsey Manor.

It has been an absolute pleasure to invite you all into school this week to discuss your child's progress and attainment and for you to have the opportunity to look at all of the amazing learning that has been taking place. If you have any further questions following your appointment, please do not hesitate to contact us as we are always happy to help in any way that we can.

Despite the rain, today the children took part in our 'Ramsey Manor Fun Run' indoors by participating in circuit training with our CEO, Steve Kelly, to raise money for The Children's Society. It was fantastic to see all of the smiling faces of the children and it was a lovely way to end the term.

That just leaves me to wish you all a Happy Easter with your family and friends. I hope you all have an enjoyable and restful break and we look forward to welcoming the children back to school on **Tuesday 18th April**. Yours sincerely,

Mr Colin Moore

Our current value is PATIENCE.

Upcoming Parent Workshops

We will continue to offer parent workshops as we move into the next term. Our next workshop is on Thursday 20th April about SATs in Year 2. This will take place in the hall at the end of the school day.

Toys

We have noticed more children bringing toys into school to play with during break. Toys should not be brought to school. There's a range of equipment available for children during these times.

Mrs Linney is leaving us at the end of this term and I'm sure you would all join me in wishing her all the best for the future. Thank you for everything that you have done at Ramsey!
