Friday 21st April

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

I hope you all had a good break with your families and friends over the Easter holidays. It has been wonderful welcoming the children back to school this week.

If you would like to see what your child will be learning about this half term, please visit our website and find the applicable year group under the learning tab. There you will be able to find an overview of what your child will be studying.

You can also look at individual subjects under the curriculum tab.

As you will be aware from previous communication, we are going to be visited by Kalpesh from KZ Dance to help with our understanding of the Hindu faith and Holi Festival. Each class will also partake in a Bollywood Dance workshop next Tuesday 25th April 2023. Please can all children wear their PE kits for the day.

As always, if you have any questions, concerns or queries then please do not hesitate to contact us. Have a lovely weekend.

Yours sincerely,
Mr Colin Moore

Proposed Industrial Action

We will be sending out a letter today to all parents to update you on our plans for the proposed industrial action on Thursday 27th April & Tuesday 2nd May. Please do keep an eye out for this letter as it will contain key information. As I'm sure you will appreciate and understand, health and safety of the students is our priority and therefore any decisions will be made following a full risk assessment.

We continue to notice more children arriving late to school. It is vital that children arrive at school on time each day to avoid missing learning time. The school gate closes at 8:50.
