We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

This week saw our amazing children in Rainbows visit Woburn Safari Park. They had a wonderful time seeing all of the animals and we also had lovely weather for the trip. The children have written fantastic recounts today and yesterday. Thank you to everyone that helped with the trip.

We continue to prioritise reading at Ramsey Manor with daily reading slots in our timetables and by having our library open during lunch each day. We are also now encouraging children to read through our 'Read Every Day' competition which looks to see which class has

has had the highest percentage of children reading 5 times a week at home. The winning class is awarded with more books for their class to enjoy. Please encourage your child to read at home on a regular basis as the benefits of this are vast.

As always, if you have any questions, concerns or queries then please do not hesitate to contact us.

Yours sincerely,

Mr Colin Moore

Fingers crossed for good weather!
