We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

During this half term, Reverend Johnson (our RE Governor) held a special assembly to announce the names of the children who have been selected for entry into the Spirited Arts Competition run by NATRE (National Association of Teachers of Religious Education). This competition is open to entries from all over the world! The theme that Ms Watt (RE lead) chose for our entries this year was, "All God's Creatures". Reverend Johnson declared that the standard of work across the school was high and it was a very difficult decision

to choose only one entry from each class.

To celebrate the children's achievement, they were each given a certificate and an art themed prize from Mrs Younger (Art lead). The names of the children who will be entered into this prestigious competition are outlined below. Congratulations to all children involved!

As always, if you have any questions, concerns or queries then please do not hesitate to contact us.

Yours sincerely,

Mr Colin Moore

Our current value is EMPATHY.

One of our Year 4 students is taking part in a special fundraising challenge throughout the month of July. She will be hula hooping for 15 minutes per day for each day of the month. She even did it during our celebration assembly this morning! If you would like to donate to this amazing charity, please find the link below:
