

Ramsey Manor Lower School

Aspire, Achieve, Excel

EDITION 37

Weekly Newsletter

Friday 14th July

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

This term continues to whizz by as we approach the final week of the academic year.

Today your child/children will come home with their end of year reports outlining their progress, efforts, attainment and targets. You will also be given your child's attendance record and any relevant curriculum test results (e.g. Phonics Screening Check for Year 1, KS1 SATs for Year 2 & Multiplication Check for Year 4). If you have anything that you would like to discuss with your child's class teacher, please do contact the school office.

This week our Year 4 students amazed us, made us laugh and made us cry with their wonderful end of year show. Well done to all of our Year 4 students and a big thank you to the brilliant team of adults who put it together. We hope that the event tonight is also a huge success and that the children have a brilliant time.

As always, if you have any questions, concerns or queries then please do not hesitate to contact us.

Yours sincerely,

Mr Colin Moore

Our current value is EMPATHY.

Extracurricular Clubs & Activities

As you will be aware, at Ramsey Manor we have an excellent extracurricular offer and we plan to further enhance and continue this during the next academic year. Our full overview will be published at the start of the next academic year. We are excited to be able to continue to host clubs such as tennis, boxing, dance, archery, Lego, gardening and speed stack club. Next year we plan to host new clubs such as futsal, tag rugby and table tennis. Further communication will be sent out separately regarding how to sign up.

A huge thank you from the whole school community to our brilliant PTA. The incredible efforts that our members of the PTA have put in throughout the school year have just been amazing. Money raised is spent on the children here to enhance their education. Thank you!
