Weekly Newsletter

Friday 13th September

We believe that all of our students have the opportunity to thrive in our inclusive, nurturing and inspiring environment where they will grow into creative and confident learners without limits.

Dear Parents and Carers,

I hope you have all had a good week.

It has been an exciting and busy week here at Ramsey Manor. It has been wonderful welcoming all of our new students in Saplings this week and what a super week they have had! We are so proud of them and what they have already achieved in their first few days at school. Our students in other year groups have already wowed me with their achievements in a range of curriculum areas. A reminder that if you want to see what your child will be learning during the school year, these documents are always readily available on our

website which contains a wealth of information relating to different subjects and how we support your child's wider personal development.

We have our first school trip of the year coming up next week when our Year 3 students will be heading off to Celtic Harmony Village.

Wishing you all an enjoyable weekend and thank you for your support as always. Please do contact us if you have any questions or require any support.

Yours sincerely,

Mr Colin Moore
